

## Our nationally renowned speaker

Nationally recognized speaker &

author, **Paula Digby** CCS, CDIP, CPC, CPCI, AHIMA Approved ICD-10-CM/PCS Trainer. Founder of AQ Consulting, LLC and AQ-IQ, LLC.

Comments from past attendees:

*This [IRF PRO Labs] is the most information I've ever gotten.*  
-IRF PPS Coordinator

*It's [IRF PRO Labs] closing a lot of gaps for me.*  
-IRF/inpatient coding manager

*I think we realize now how important our jobs are to IRF.*  
-coder, inpatient hospital and IRF PAI

*I just want to take a moment to thank you for sharing your excellent knowledge with our HIM coding team. You have an excellent way of describing the processes and stumbling blocks and your presentation is wonderful.*  
-P, HIM Director, Arizona

## **NEW: IRF-Revenue Integrity Specialist (IRF-RIS)**

Nationwide Credential training and certification that is directed to IRF staff and coders. Our workshop provides advanced level training and following successful completion attendees may choose to sit for the sought after IRF Revenue Integrity Specialist credential.

### **OTHER AQ-IQ.com products:**

#### **AQ-IQ IRF PAI Manual Resource Tool with ICD-10-CM Documentation & Coding Cues:**

This book was specifically designed for the IRF setting to assist with getting the IRF-PAI "right"! It will guide you to presumptive eligibility, medical necessity and ICD-10-CM specificity when used correctly. [Learn More.](#)

**IRF 60% Pocket Tool:** This quick reference tool is designed to fit in a pocket and assist the IRF physician in documentation of the patient's case. In short, it identifies compliant/noncompliant IGCs and diagnoses. [Learn More.](#)

## Do your records stand up to intense scrutiny from technical and other denials?

# AQ-IQ IRF PRO Labs Workshop

**AQ-IQ, LLC**

Make My Revenue Smarter™

## Coding and Documentation 2 Days

### Goal of the Workshop is to provide:

- **Practical documentation clues** for accurate code assignment and severity of illness
- **IGC selection clues** for accuracy on tough cases
- Proven methods to **improve: IGC selection, documentation and coding**
- Discuss typical versus best practice **operational processes**

### Workshop will:

1. Identify **why coding and documentation matter**
2. Identify Results of National Reviews
3. Identify **resources to sustain improvements (and teach others)**
4. Provide **interactive hands-on analysis** of case studies – **real examples from real programs**
5. Identify **effective & ineffective documentation habits**
6. ICD-10-CM **coding rules** for the **IRF-PAI & UB-04**
7. **Detailed principles** of proper **IGC selection**
8. Provide **resources to identify 60%**
9. **Clues to influence change** in documentation to ensure every opportunity is achieved
10. **Identify best practice processes**
  - A. Creating a web of influence
  - B. Evaluating referral potential
  - C. Creating/Implementing Perpetual Marketing Plan

*What was the best part of IRF PRO Labs(from attendees)?*

*“For me, it was understanding what they [the PPS Coordinator and CDI] are looking at.”*

*~coder, inpatient hospital and IRF PAI ~*

*Having my coders and PPS coordinators in the same room working on case examples was worth everything.*

*~IRF Program Director ~*

### **REGISTRATION**

The IRF Pro Workshop is an intensive 2-Day Training for IRF Professionals including Program Directors, IRF Physicians, IRF-PAI/PPS/CMG Coordinators, Clinical Documentation Improvement Staff, Clinical Liaisons, and Coders.

IRF Pro Labs offers a **Nationwide Credential training** and certification for **IRF-Revenue Integrity Specialist** that is directed to Inpatient Rehabilitation Facility staff and coders.

Attendees of this 2-day event will be offered the ability to sit for certification following the training and completion of certain task/education levels.

To register visit the **HOW TO SUBSCRIBE** tab for the **IRF PRO LABS** dropdown at [www.AQ-IQ.com](http://www.AQ-IQ.com) or phone (877) 976 6677.

*“Accurate and appropriate coding, billing and documentation are so important in today's health care environment that there is no room for error. These errors are fraud as far as Medicare is concerned. Your training programs are comprehensive and allows participants to learn all that they need to know in a simple concise fashion with multiple examples.”*

*~ Dr. Sunil Jain, Phoenix, AZ ~*

## Continuing Education Information

### Satisfactory completion

Participants must complete an evaluation to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your board requirement.

### Nurses

Accreditation Statement - In support of improving patient care, this activity has been planned and implemented by Amedco, AQ-IQ, LLC and AQ Consulting, LLC. Amedco is jointly accredited by the American Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation Statement - Amedco designates this live activity for a maximum of 12.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### Texas Physical Therapist

The AQ-IQ IRF PRO Labs Workshop has been approved for 12.75 continuing competence unit(s) (CCUs). Course Approval Number: 64171TX

### AHIMA

This program has been approved for continuing education units (CEUs) for use in fulfilling the continuing education requirements of the American Health Information Management Association (AHIMA). Granting prior approval from AHIMA does not constitute endorsement of the program content or its program sponsor.
